*“Promoting the art of quilting through sharing, friendship, education, and meaningful service to our community.”*

Welcome summer

## PRESIDENT'S MESSAGE

Wow!! Just when I had been wowed before, you all came out with that humongous amount of UFOs and did it again. Keep up the wonderful work ladies.

Rita Gershon has agreed to take up the hospitality duties starting in June. It would be wonderful if someone would volunteer to help her. It is a fun task and you get to ask the members to bring what you might want....

I am looking forward to the block auction. I know you are too, and will bring your money and purchase lots.

Donna Chipperfield

## BLOCK OF THE MONTH

We will be pulling the winner of the fat quarters for the May and June BOM blocks at the next meeting. Thank you to those members who have turned in blocks already.

The block for July and August will be Snail's Trail which only uses red and white on white fabric. I will have patterns available at the June meeting. Do give it a try.

Barbara Montejo

## THE PAINTED TURTLE A SPECIAL THANKS

Thank you very much for your generous gift. As you know, these quilts are a special part of the unique, life-affirming experience offered at The Painted Turtle to children with serious medical conditions. All of our programs are completely free of charge to campers and their families and are possible only because of the support of donors like you.

In 2013 we expect more than 2,500 children and family members will be joining us at our nine family weekend camps, eight summer sessions, and two holiday celebrations. We will also deliver the healing spirit of The Painted Turtle to another 2,400 children in thirteen hospitals and clinics across California through The Outpost, our hospital outreach program.

...the next time you visit-and always-your reception at The Painted Turtle will be one filled with gratitude.

Blake Maher  
Executive Director

Thank you SCVQGuild members for all that you do to make this an integral part of what we do and who we are!

## PROGRAMS

### HELLO QUILTERS

We hope you enjoyed Kathy Tanner from Quilty Pleasures and her trunk and "truck" show. She and her gals certainly appreciated the warm welcome we all gave them. That is one of the wonderful characteristics of quilters: warmth in caring and giving. Wonderful way to live life!

The Block Auction is almost here, full of excitement, surprises, and fun! We can hardly wait another week!

July is "How do you do that." Last chance to volunteer your talent or submit your query of what you would like to see. The program will be printed in next month's newsletter. C'mon over to sit a spell and learn something new, refresh a skill, or perhaps get a new twist on a technique.

August is game night. ATTENTION: We are searching for a few members to work as a sub-committee to plan this evening. All you have to do is choose and plan the game. The Hospitality Committee will take care of the refreshments, and we will take care of the prizes. Easy one. Please let us know ASAP if you are interested.

September will be a special tea with details coming soon. Everyone will be participating in some way, so brush off your volunteer slippers! (Don't get scared; it's not at all hard.) And on the following Saturday, September 14, Donna's workshop is scheduled at Millie's clubhouse; signups will begin this June.

## PROGRAMS Continued

Sounds like a fun summer. For members travelling on vacation, have a good and safe trip, but you'll probably miss some good stuff! Don't forget to visit the website for the current newsletters.

Patsy & Gabrielle

## COMMUNITY SERVICE

Remember the old saying "Uncle Sam needs you"? Well, Community Service needs you and any help you can offer. We are looking for people to head up projects, such as the placemats for the seniors, shawls for the seniors, small and large quilts for Turtle Camp and other groups, fabric turtles, cat mats for the animal shelter, etc.

If your mini group has a passion in any of these areas, it would be great if you could spend some time on these projects. We have the fabric, and if you need any pattern ideas, we can come up with those too. Please let Dana and I know.

We also have a lot of quilts that need to be quilted and quilts that need binding. The same goes for placemats. Check us out in the back at the next guild meeting or drop us a call.

Thanks again for all your hard work. The various organizations we donate to deeply appreciate your contributions. See excerpt below from Turtle Camp regarding our recent drop off of quilts, turtles and aprons. See you all soon.

**REMEMBER:** Mark your calendar---Our next sew day (you can work on your own project or something for Community Service) will be on Saturday, AUGUST 17TH.

## COMMUNITY SERVICE

### Special Project

### OKLAHOMA TORNADO VICTIMS

#### The Oklahoma tornado victims can use anything.

If you are looking for ways to help those victims of the Oklahoma tornado here are some ideas.

Community service has several lap quilts spray basted and ready to quilt and bind. We also have larger quilts ready to quilt by long or mid arm machines then bound.

If any of you are interested in using some of these please contact Dana 1-818-642-3072 or Helena at 257-2572 and we will meet you to deliver them.

You can also donate your own quilts that you've made. Dana and Helena would be glad to take them as well. If your mini-group has a quilt or quilts that you've worked on with no special goal in mind, they would be welcome as well.

As mentioned in the thank you letter from The Painted Turtle, the quilts we make and give generously enrich lives, families and help connect all of us as one. Our quilts and those from others reaffirm rebuilding lives one piece at a time to create a whole artful patchwork no matter how simple.

Please feel free to contact Dana or Helena for more information or stop by the table at the meeting.
