

Workshops for Programs Committee

For many of our workshops, we use the large clubhouse belonging to Parklane Mobile Estates, 20401 Soledad Canyon Road, Canyon Country 91351. This is due to the graciousness and foresight of one of our guild members. All of our workshops for 2014 beginning with February will take place at this location. (Note: our Community Service committee also uses this venue at various times of the year.)

The main driveway to this clubhouse is located on the north side of Soledad Cyn. Rd. across from Rainbow Glen Dr., just a short distance east of Home Depot (on Soledad) or about 1 mile west of the intersection of Soledad with Whites Cyn. Rd. in Canyon Country (that's where Beverly's is).

From the light at Soledad and Rainbow Glen Dr., turn north into the Estates. Turn left at the first intersection and go 2 short blocks until you see the clubhouse on the right.

Parking is limited, but there is a small visitors' lot west of the clubhouse. We can park around the clubhouse but not in front of any homes, please. If you're stuck, ask us and we will help you solve your problem.

Unless otherwise indicated, workshops begin at 9 am (with setup beginning at 8:30) and end about 3 or 3:30 pm (with cleanup). Chairs and tables are provided. In addition to your regular sewing supplies and machine (and sometimes iron/board), you may wish to bring a special lamp for yourself if needed. The kitchen includes a refrigerator, stove, and microwave. Bring a bag lunch. Coffee, tea, and water are available during the day; we have plates, napkins, cups, etc. Sometimes participants choose to bring a treat or decide to potluck together for lunch, but these are optional.
